

Hextable Trustee Report 2025

First of all, can I welcome Michael as our new treasurer, replacing Val. Val has been our treasurer for the last three years. A massive thank you from the Trustee Board.

We are still desperate for new Trustees, especially a new Chair.

The group has been very busy, Sections have made sure Nights Away are at the forefront of their program. Loads of badges have been awarded, I sympathise with the parents for all the sewing. The Scout section took part in the Kent International Jamboree. The cubs have had a couple of weekend camps, all enjoyed their time away.

Thanks to the District all our leaders and Trustees have remained compliant with the Scouting training. It was a worrying time, I'm sure Hugh gained a few more gray hairs, I know I did.

Thank yous, I would like to thank all our Leaders, without them we would have no group. Thank you to Frances our DLV for your continued support to Hextable, Hugh for taking on the role of GLV, a thankless task, it is his job, to persuade, cajole, bribe or bully the leaders to ensure the section program is active and exciting for all the young people. (Only joking about the bullying and bribes, by the way Hugh what happened to the pay increase you promised). Really only joking all the work done by leaders and Trustees is voluntary.

Finally a massive thanks to you the parents for the support you all give the group.
